Guaranteed Weekly Departures All Year Round

JEWELS OF JORDAN

Prices Valid March 01, 2022 – February 28, 2023

Few places on earth provide a greater concentration of natural marvels and archeological treasures. With a history spanning the millennia and cities as new as tomorrow, Jordan beckons.

Only, a half hour drive from Amman to Jerash, an entire Roman provincial city. A virtual outdoor museum complete with remarkably well preserved boulevards, temples, fountains and a unique forum. It was an administrative and cultural center of the Roman Decapolis.

Petra is a name from antiquity that fills all expectations. This tiny commercial crossroads was lost to mankind for centuries. Now, behold it in all its glory. Temples, monuments and grave sites, in the style of the Assyrians, Greeks and Romans, all carved into the solid sandstones of the mountains. Like nature's palette the magnificent colors range from the rose-red to maroon, vermilion, russet and ocher ... and change with the sun. Jordan offers tolerance and hospitality - reflection of its Bedouin heritage.
